Revered as a legendary Hip Hop artist, Dana Dane helped pioneer the rap genre in the early 1980s. His debut album, 1987's *Dana Dane With Fame*, was the first rap album by a solo Brooklyn artist to be certified gold thanks in part to his landmark story raps on songs such as "Nightmares" and "Cinderfella Dana Dane." The project also garnered him a Soul Train Music Award nomination for Best Album of the

Year and is enjoying its 30-year anniversary in 2017.

As seasoned entertainer who still rocks crowds today with high-energy performances, Dana Dane takes audiences back to the origins of Hip Hop culture during his concerts. It's a time of pure fun, one where Dana engages the audience through crowd participation and call-and-response interaction throughout his show.
