Gene Fallaize is a British film and television Producer & Director, and owner of production company Cupsogue Pictures. In 2011, Gene executive produced thriller Airborne starring Star Wars veteran Mark Hamill, alongside Julian Glover, Gemma Atkinson, Alan Ford, Bill Murray, and Craig Conway. In 2012 he executive produced the first part in the War Stories trilogy The Extraction, as well as claustrophobic drama Fractured.

2013 saw the release of Mistaken which Gene executive produced, followed by The Woods of Daemar and Contact Lost, both of which Gene directed. 2016 saw the release of action caper comedy Taking Care of Business which Gene produced, and other current work includes directing and producing British action/fantasy film Dark Ascension, and high profile Violent Lines which Gene will be directing.
