Ryan Cafeo was born and raised in Pennsylvania where he grew up riding horses, racing motorbikes and iron working with his father. He first decided that he wanted to pursue acting after watching the film Goodfellas. After graduating from Virginia Commonwealth University majoring in Film and Advertising and a college degree under his belt, Ryan headed for Hollywood.

Ryan arrived in LA during the writers strike and wanted to stay proactive. This led directly to the development of his award winning web series that he created, co-executive produced and starred in called Luke 11:17. Critically acclaimed and twice Webby Award nominated for "Best Dramatic Series" and "Best Episode" brought much attention and endorsement from Wes Craven and put Ryan on the road to success.
