

SEAN RYAN

Writer

IMDb: [Sean Ryan](#)
T: [@SeanTomRyan](#)

Sean Ryan is an award-winning screenwriter with numerous credits to his name. Initially known for short film scripts, he made the jump to feature films in 2013. His love for the medium was inspired by his father who introduced him at a young age and his love for film has grown ever since. He first began to experiment with filmmaking, within the fields of editing and animation before moving onto screenwriting and developing his skills

as a visual storyteller. Sean has several feature film scripts in various stages of development with his most recent produced script being the Sci-Fi, Action Thriller, "Weaponized" in 2016.
